Does the clock continue to run if the teams take a water break during the game?

Answer: Yes

If you blow the whistle and the ball then crosses the goal line do you count it as a goal?

Answer: No

Simple rule of thumb regarding “handling” and when should you call “handling”?

A) Ball to hand

B) Hand to ball

Answer: B. In your opinion the player plays the ball (Hand to ball) then you would call “handling.” However in your opinion the ball plays the player then you would not call “handling.”

If you observe a player bleeding must he/she leave the field immediately?

Answer: Yes, you blow the whistle and have the coach substitute the player
