

**Topic: CFBSA Coaches Badge**

**Effective July 1, 2010 all CFBSA Coaching Badges will now have a new look. This new look will make it easier to identify coaches on the pitch who have completed all CFBSA required paperwork and successfully completed their N. Texas background check.**

**CFBSA will attach a specially designed “decal” to all CFBSA coaches’ badge indicating they have successfully completed all procedures to coach for the current soccer year. CFBSA will not allow any CFBSA coach to coach unless this “decal” is affixed to their coach’s badge. This “decal” will be affixed to CFBSA coaches only.**
